

The Follower's Journey (the map that leads to life)

The 4000 year old question?

I. This is the beginning of the end!

Vs 17 – The pouring out of the Spirit declared the last stage!

Acts 10: 45....

II. This is the beginning of the end that leads to our beginning!

Vs 21 – whosoever shall call on – 1941 – (to call a person by name) Lord – shall be saved –

Vs 22 – Hear these things – Who will hear these things! Whosoever will be willing to hear these things... will understand...? He that has an ear to hear? Verily, verily...

III. This is the understanding that points to the death that leads to life!

Jesus Of Nazareth---Savior the Branch

- Moses used a branch – to deliver the people of God out of Egypt, out of thirst and bitter water... out of danger by parting the red sea...
- This Jesus was declared through miracles
- He was Delivered by Council and the foreknowledge of God
- Slain and Raised
- Therefore now is the opportunity to be consciously rescued!

IV. This is the one Death that produced our Victory (life after death)

This was Kurios – 2962 – the LORD

This was Christos – The Christ – The anointed one that the world has been waiting on

This was the absolute authority, the head of the house, the owner of it all

V. This is the question that was waiting to be asked!

This is the 4000 year old question...

“What shall we do?”

Once truth has been explained to them.

What shall we now do?

VI. This is the Answer that was waiting to be given for 4000 years!
