

Every man's Search?

(Part 7: The Goals Set By Jesus)

Matthew 5: 21-32

His Goals for us:

1. Experience God
2. Hear from God
3. Be heard of God
4. Do what only God can do in your life

Once we have become a believer, we declare ourselves, we surrender the reins, we make the word of God our everyday guide, we make God's mission our mission, we become in our attitude a follower of Christ, we become the light to our world, we become the salt to our world, we become the irritation to our world, hence persecution...

We understand the Law's purpose and our new relationship to it...

We take our personal influence in other people's lives seriously

We understand that life is all about connecting with God and communing with mankind!

Jesus gives a list of issues in the lives of humans that will tell you whether or not you really want to know God...

- Your Brother (vs 22)

But I say unto you...

- Judgment – 2920 – Crisis – Separation, Sentence
- Raca – 4469 – O Empty one, Worthless one
- Hell fire – 1067 – Gehenna
- Therefore, thy gift?
- Your Adversaries (vs 25)

- A woman (vs 28)
But I say unto you...
- Your wife (vs 32)
But I say unto you...
- Your Words (vs 33)
 - * Swear
But I say unto you...
 - * Yourself
- Your whosoever – smite thee (vs 39)
- Your Enemies (vs 44)
But I say unto you...

All this is about knowing God, loving God and relating to humans.

This is how those who want to experience God will conduct themselves.

How are you doing?
