A Note from Pastor Phillips:

Thank you for coming to worship with us today. If you are a first-time visitor, I would sure like the opportunity to meet you and welcome you personally. Because I believe in a Sovereign God, I don't believe anything happens by chance. I believe you were brought here today for a purpose. I would love to help you discover that purpose, and to see if there is any way we as a church can bless and minister to you and your family. Please stop by the Resource Center after the service so I can shake your hand. I'd sure count it a privilege.

THANK YOU: Thank you all so much for the cards, funeral meal, prayers, love and support we received at the passing of Carl's mom, Pauline. She is struggling no more, but is now in the presence of her Savior! The difficult journey was made easier because we were upheld by your love. We love you!

**“And to godliness brotherly kindness;
and to brotherly kindness charity.”**

2 Peter 1:7

The founder of Casa de Fe, Patti Sue Arnold, came to Ecuador in 2001 after retiring from the Army. While in Quito, she took in her first foster child as a result of an announcement at church. The second was not far behind, and shortly afterward she moved from Quito to a small town called Shell. Patti Sue continued to take in abandoned and special needs children and realized that she was called to help the children in the area around Shell.

The population of Casa de Fe has fluctuated over the years with almost 80 children being cared for at times. Many of the children that the organization has taken care of have required extensive medical treatment and care, and oftentimes, Casa de Fe has been the only hope for these children. Other homes refuse these types of children based on the expense of their care and their inability to provide specialized medical care. Since the beginning, the Lord has provided for Casa de Fe so that it could continue taking care of these children with compassion, competency and love.

Currently, the children at Casa de Fe have many different medical conditions including Down's Syndrome, malnutrition, cancer, failure to thrive, cerebral palsy, psychomotor delay, microcephaly, and other congenital anomalies. It has always been Patti Sue's desire that no child ever be turned away.

Our Mission Team is currently serving at Casa de Fe in Ecuador, helping Patti Sue care for the needs of these sweet children. They are also presenting her with the funds our ladies' ministry raised for a commercial bread oven. Please remember the team in prayer as they serve in Ecuador for the next two weeks.
